HOW DOES IT WORK?

With a **seller-paid buydown,** your seller covers the cost to temporarily reduce your interest rate for the first 2 years of your loan, allowing you to save money along the way.

Bonus: Refi-Free Program.** Our Refi-Free Program gives you the best of both worlds. Lock in an interest rate you like today for your new home, and if rates drop within the next 24 months, you can refinance with reduced closing costs. Be certain today, and have flexibility tomorrow.
