About this Property

Welcome to the crown jewel of suburban living – a house that says “I’ve made it” without actually screaming it. The kitchen? Stainless steel appliances that’ll make you feel like Gordon Ramsay, even if “cooking” means reheating takeout. The living room is spacious enough to fit your dreams and that oversized sectional you impulse bought. Upstairs, the primary suite features a walk-in closet big enough to double as a NYC apartment. And the bathroom is practically a spa – minus the tiny, judgmental cucumbers. Outside, a backyard perfect for grilling, chilling, and convincing your in-laws to leave before it gets dark. It’s not just a house – it’s your next sitcom set.
