About this Property

Tucked away on 3.45 private acres at the end of a road with no thru traffic, this custom-built 4 bedroom, 4 bath home offers the kind of country living that's getting harder to find, no HOA, no restrictions, and no back neighbors to speak of. Inside, the family room's built-ins and gas log fireplace flow straight into an oversized kitchen, where abundant cabinetry, a center island, and a breakfast bar seating five make room for everyone. A brand-new dishwasher is ready for you on day one. Recent updates, fresh interior paint, new carpet, and a roof just 4.5 years old, mean the big-ticket items are already handled. All that's left is moving in.
